

Pastor's Message — MAY 2010

“Connecting People...”

Calvary has had a good run of growth, updates, upgrades, activities, improvements, and excitement. The “boat has been rocked” just easy enough for almost all of us to hang on and maintain an adequate level of support and enthusiasm in what is being attempted and accomplished in the name of our risen Lord. Financially we are “OK” and are not worried about how we will make it. The Lord’s hand of blessing has been and continues to be upon us.

The “boat” needs to be rocked more. *...to the Love of Jesus”*

How does what we have done and are doing and will do *fulfill* our mission of connecting people to the love of Jesus? We all must realize that those Christ-centered “love connections” start here... at home...at church...in meetings...in our conversations ... in our ministries and service right here as we work together in growing His kingdom at Calvary and beyond into our communities.

We are about the business of connecting people to Jesus love through -
... The Lord’s Supper ... The Study of God’s Word for adults, young people, and kids ... Caring for others ... Ministry opportunities ... Vacation Bible School ... Leadership and volunteer opportunities ... Pet Therapy Ministry ... Women’s Ministries ... Calvary Early Learning Center ... a variety of Worship opportunities... and a whole lot more.

How do you fit into these exciting opportunities? Our Lord is waiting for us to follow through with a mission we claimed as our own a long time ago -
“Connecting people to the love of Jesus”.

This is a mission close to His heart –
